Letter No.Muz.1.C.431/34-35 dated 27-10-34 from the Deputy Commissio Shimoga District, to the Muzrai Commissioner in Mysore.

Subject:- Improvements to the Sri Lakshminarasimhaswami temple at Bhadravat Shimoga Taluk.

I have the honor to state that the Dewan was pleased to visit the temp of Sri Lakshminarasimhaswamy at Bhadravathi in the course of his tour in this district in February and March 1934 and to suggest certain improvement to the temple buildings. The Executive Engineer who was addressed in the matter has sent a plan and an estimate for R 6000/- duly countersigned by the Director of Archaelogical Researches in Mysore. The several improvements to be effected are detailed in the report accompanying the estimate.

The Dharmadarsis who were consulted are of opinion that all the items of work provided in the estimate are absolutely necessary and may be carried out, the cost being met from the temple funds.

The temple has got a sum of R. 1564-4-9 in Muzrai funds a sum of R. 1333-12-9 in S.P.Deposit and R. 18,900/- in investments as per statement published in the Gazette dated 14-6-1934. The amount available in Muzrai funds will be required for Nityakatle and Hetchukatle expenses in the temple. Out of the amount in S.P.deposit, a sum of R. 1133-15-5 represents the compensation amount awarded for the temple lands acquired. I request therefore that State Loan bonds of 5% of the face value of R 6000/- may be arranged to be disposed of to some of the institutions outside the District so that the estimated cost of improvements to the temple may be met and that the estimat also may be sanctioned.

By the disposal of the State Loan bonds, the scale of expenditure ~~xxxxx~~ sanctioned for the temple on 16-1-1932 will not be affected as the interest on the then investments has been taken to be R. 550/-, on the income side of the scale and the interest on the investments as per statement published by the Comptroller will be R. 976-4-0 including ¼% commission.

The plan, the estimate with the report accompanying it, the copy of the resolution of the Dharmadarsis and the Amildar's report are enclosed.
